MEMORANDUM FOR: [REDACTED]

SUBJECT : Transmittal of a Set of Research Lists
Published by the External Research Staff

1. Attached is a complete set of research lists published by the External Research Staff of the State Department.

2. These research lists are based on the catalog of social science research on foreign areas compiled by the External Research Staff from information furnished by private scholars throughout the country. The lists include only research reported as in progress by scholars. Completed research is not included.

3. Please pass the lists to the people in [REDACTED]
